CHAMBERS USA HONORS GIDEON ROTHSCHILD

Rothschild Listed Among Nation's Top Wealth Advisors

NEW YORK, June 12, 2009 – Gideon Rothschild, a partner at Moses & Singer and a well-respected name in the field of trusts and estates, is listed in the 2009 edition of *Chambers USA* as one of the nation's leaders in Wealth Management. Gideon is "praised as 'the best asset protection attorney in the country' ... and is considered to be particularly adept in work with an international dimension." His practice is focused in the areas of domestic and international estate planning and asset protection, including the use of sophisticated estate planning techniques in the representation of high-net-worth individuals. Gideon distinguishes himself from his peers by educating his clients on the non-tax benefits available with trusts and other vehicles to achieve both tax savings and wealth preservation. This is Gideon's fourth appearance on the list.

A frequent lecturer and author on asset protection and estate planning for the multi-national client, Gideon is also the recipient of several other honors and awards, including "Top 100 Attorneys" serving private clients by *Worth/Robb Report*; Best Lawyers in America® by *American Lawyer*; and "Distinguished Accredited Estate Planner" awarded by the National Association of Estate Planners & Councils.
